**We need your opinions**

As you may be aware, there have been several issues raised about the way our canteen currently is, including the lighting, the table arrangement, ventilation, etc.

As a part of our effort to keep a high standard of our facilities, we are drafting a plan to renovate the canteen. We are also reviewing the menu our caterer is currently offering.

Therefore, we would appreciate it if you could let us know how you would like our new canteen. Please do not hesitate and think your opinion may not be important as all your opinions are very important for us.

You could send me an email (acjohnson@inet.com) or directly speak to me at my office during the lunch break (but no phone calls please).

We hope to hear from you all and use your opinions for improvement of the canteen.

Thank you for your co-operation.

Subject: Our canteen  
To: acjohnson@inet.com  
From: ccooper@centraltec.com  
Date: 5 June, 2010 11:34:18

Dear Alice

Thank you for asking our opinions about the canteen.

I think the current canteen isn't too bad but it's just old. If current wooden chairs and tables are changed to ones with lighter material and walls are painted in lighter colors, it will make the canteen look very different. Also, the ventilation system needs to be renewed, I think. It's not working efficiently and it gets rather stuffy when the canteen is busy.

Hope those will give you some idea for renovation planning.

Kind regards  
Amy Watson

(B) By visiting her home on weekends  
(C) By visiting her office after work

Dear Hanna

I am sending this email concerning my appointment on Wednesday, October 18<sup>th</sup> at 4pm.

I am wondering if you could change my appointment time to some time later on the day. In fact, I had to fly this morning to attend an urgent meeting in Washington DC and I can only fly back to the city airport at 3pm on 18<sup>th</sup>. I am not likely to make it for the appointment.

I am very sorry I am causing you trouble but I would appreciate it if you could reply.

Kind regards  
Joe Hopkins
