Dear Alice

Thank you for asking for our opinions about the canteen.

I think the current canteen isn't too bad but it's just old. If the current wooden chairs and tables are changed to ones of lighter material and the walls are painted in lighter colors, it will make the canteen look very different. Also, the ventilation system needs to be renewed, I think. It's not working efficiently and it gets rather stuffy when the canteen is busy.

Hope those will give you some ideas for your renovation planning.

Kind regards
Amy Watson

Dear Hanna

I am sending this email concerning my appointment on Wednesday, October 18th at 4pm.

I am wondering if you could change my appointment time to some time later in the day. This morning I had to fly to attend an urgent meeting in Washington DC and I can only get back to the city airport at 3pm on the 18th. I am not likely to make it for the appointment.

I am very sorry I am causing you trouble but I would appreciate it if you could reply.

Kind regards
Joe Hopkins
