

Conversation about health care

In the office

Mandy : I want to join the marathon tomorrow.

Caz : **Are you sure you're in good shape?**

Marathon needs a lot of energy.

Mandy : I am very healthy. I always jog every morning.

Caz : We'll then, good luck for the event.

Mandy : Thanks

In the school

Lina : How about having food trip today?

Desa : **I'm on a diet right now.**

Lina : So what are we going to do then?

Desa : How about shopping?

Lina : Again! I only have a penny in my pocket.

Desa : Not a problem. I can lend you some.

1. How will you maintain to have a healthy mind and a healthy body?
2. Are you physically conscious? In what way?
3. What kind of foods do you eat to maintain a healthy diet?

健康を気遣う(No.18-2)

Think of health

In the school

Trisha : I think I should take a day-off tomorrow. I'm not feeling good.

Joy : Yes, I think so. **You should see a doctor.**

Trisha : It's a waste of money. I just need some rest.

Joy : But you look pale. I'm worried about you.

Trisha : You don't have to. Maybe I'm just tired.

In the office

Jack : Is everything alright?

Ben : I have a headache but I have to finish my job now.

Jack : **You have to look after yourself too.** It can wait until tomorrow.

Ben : I know, but today is supposed to be the deadline of this project.

Jack : Mr. Hatzler will understand everything. I'll explain it to him.
